LASER PRINTER
Epson AcuLaser™ C3900DN

EPSON
EXCEED YOUR VISION

Raise productivity
not operating costs

IMAGING INNOVATION

Epson's constant innovation in imaging solutions gives you fast and high-quality printing at exceptional value. With the new high-performance Epson AcuLaser™ C3900DN, you can now increase your workgroup's productivity at lower running costs.

- **Optimise productivity with impressive print speed and reliability**
  Print speed of 30ppm produces instant printout of documents. You can maximise time efficiency with minimal waiting time and achieve a monthly duty cycle of 120,000 pages
- **Print within a network with Ethernet connectivity and integrate it with even the most complex IT systems**
  The printer is compatible with most IT environments and features PCL6, PS3 emulation, PDF1.7 emulation, advanced IPv6 protocols and Gigabit Ethernet support. Advanced IPsec/SSL support improves the security of sensitive materials. Built-in Ethernet connectivity allows printer sharing amongst multiple users within the office
- **Low total cost of ownership with a flexible and economical office solution**
  This printer offers excellent value for money with high-yield toners and optional double-pack black toner cartridges. The C3900DN ENERGY STAR®-certified power efficiency further reduces your running costs and minimises environmental impact

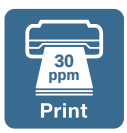
IMAGING INNOVATION

Epson's constant innovation in imaging solutions gives you fast and high-quality printing at exceptional value. With the new high-performance Epson AcuLaser™ C3900DN, you can now increase your workgroup's productivity at lower running costs.

Epson AcuLaser™ C3900DN

OPTIMISE PRODUCTIVITY WITH IMPRESSIVE PRINT SPEED AND RELIABILITY

Time-saving printing speed



With a fast print speed of up to 30ppm for monochrome printing and a monthly duty cycle of 120,000 pages, you can now print more in less time. The C3900DN facilitates your business operations with added printing mileage. Handling bigger print jobs has never been this efficient and easy.

Optional HDD with expandable RAM to keep pace with business growth

For heavy-duty and volume printing, opt for HDD and expandable RAM support up to 768 MB for even greater efficiency.

Duplex printing and USB direct printing*

Duplex printing functionality reduces the burden on the environment and improves efficiency and cost savings. Increase your print volume without increasing the amount of paper used.

With USB direct printing, no drivers or even a PC is needed for printing, which enhances productivity so you can meet more printing deadlines.

*only when optional HDD is installed

PRINT WITHIN A NETWORK WITH ETHERNET CONNECTIVITY AND INTEGRATE WITH EVEN THE MOST COMPLEX IT SYSTEMS

Built-in Ethernet connectivity allows printer sharing amongst multiple users within the office.

Epson AcuLaser™ C3900DN is easily integrated into even the most complex IT systems with PCL emulations including PCL6, PCL5e/5c and is designed to offer high print information security with the support of IPsec/SSL.

LOW TOTAL COST OF OWNERSHIP WITH A FLEXIBLE AND ECONOMICAL OFFICE SOLUTION

Minimise running cost with high-yield toners and optional double-pack black toner cartridges. A choice of Auto Mode (as default setting), Power Save Mode and Toner Save Mode offers flexibility while maximising energy savings and reducing costs.

AcuBrite TONER

Rich, vibrant images of consistent quality

With Epson AcuBrite toners, you get superb image quality every time you print, even in Toner Save Mode.

Vivid black text even at lower running costs

Achieve great quality text printing while saving operating costs with our optional double pack black toner cartridges – saving you money without compromising on print quality.

Auto switch to monochrome printing for minimal print job disruptions

When colour toner cartridges are depleted, Epson AcuLaser™ C3900DN automatically switches to monochrome printing, hence minimising disruptions to print jobs.

ACCOMPLISH MORE

850

Epson AcuLaser™ C3900DN holds up to 850 sheets and offers an optional 500-sheet paper cassette. This higher capacity paper handling means fewer trips to the printer to refill paper.

DOUBLE YOUR WORK SPACE

Designed with small toner cartridges, Epson AcuLaser™ C3900DN complements your space with its small and compact design, freeing up more of your office space for other uses.

MAXIMISE SAVINGS WITH ENERGY STAR®

ENERGY STAR

Now, you can save MORE money and maintain consistent image quality at the same time. This ENERGY STAR®-certified printer reduces your toner consumption, keeping your printing costs to a minimum. It also keeps environmental impact in check because it uses less power both in Standby Mode and during Print.
